

# Bulgaria RV Solar System Franchise

## Overview

---

Who is global solar Bulgaria?

Global Solar Bulgaria – Да докоснем слънцето! Wide experience in the photovoltaic energy sector. Over 17,900 MW capacity. Wide experience in the industry, land supply, relationship and work with the state. A perfect combination of global experience and expertise to further focus on technological advancement. Surveillance and monitoring of systems.

Why should you choose global solar Bulgaria?

Our goal is to offer innovative products and services at the best price, which are part of the economic and ecological context of renewable energies. Sustainable development is the belief that underlies Global Solar Bulgaria 's initiatives to protect the environment, strengthen communities and stimulate responsible growth.

What is Solarity BG?

A main priority of Solarity BG is the warranty and post warranty maintenance of all types of photovoltaic installations, regardless of if it's been installed by us or not. Our principle is that the most effective action is the preventive maintenance.

What can Solarity BG do for You?

Solarity BG provides flexible solutions for power supply roofing systems, backup power supply, power supply in caravans and campers, sine wave inverter systems, photovoltaic systems, inverters for photovoltaic power plants, photovoltaic modules suitable for any needs.
