

Drilling Site Photovoltaic Folding Container DC 2025 Model

Drilling Site Photovoltaic Folding Container DC 2025 Model

Nonlinear Dynamic Modeling and Analysis of Drill Strings ...

This paper presents a comprehensive study of torsional stick-slip vibrations in rotary drilling systems through a comparison between two lumped parameter models with ...

[Get Price](#)

[Numerical Simulation on Dynamic Response of Drilling ...](#)

The characterization of the mechanical parameters of rock mass is a basic problem in the field of rock mechanics, and it is also an important basis for surrounding rock ...

[Get Price](#)

[Application of Long-Distance Drilling and Blasting ...](#)

After long-distance drilling and blasting, the frequency and energy of micro seismic events were reduced, the entry deformation was reduced compared with the common roof ...

[Get Price](#)

[Review of Automated Operations in Drilling and Mining](#)

Current advances and trends in the fields of mechanical, material, and software engineering have allowed mining technology to undergo a significant transformation. Aiming to ...

[Get Price](#)

A Comprehensive Review of Nanotechnology Applications in ...

The field of nanotechnology has shown promise in addressing major problems and improving drilling effectiveness.

Improvement of Micro-Hole Processing in SiC

SiCf/SiC ceramic matrix composite (CMC), a hard and brittle material, faces significant challenges in efficient and high-quality processing of small-sized shapes. To ...

[Get Price](#)

Fluid Flow Simulation for Predicting Bottomhole Pressure ...

Under shut-in conditions in deepwater drilling, the gas invading the bottomhole ascends along the wellbore and accumulates at the wellhead, forming a high-pressure trap, ...

[Get Price](#)

[Drilling Condition Identification Method for Imbalanced ...](#)

To address the challenges posed by class imbalance and temporal dependency in drilling condition data and enhance the accuracy of condition identification, this study proposes ...

[Get Price](#)

Drilling, Completion and Well Engineering for the Natural ...

Topic Information Dear Colleagues, Drilling and well completion processes are the key to the successful solution for both increasing world's energy demand and energy ...

[Get Price](#)

[A Review of Data-Driven Intelligent Monitoring for ...](#)

The exploration and development of resources and energy are fundamental to human survival and development, and geological drilling is a key method for deep resource ...
