

# East Asian Farad Supercapacitor Manufacturer

## Overview

---

Who makes supercapacitor in China?

Kamcap is one of the leading supercapacitor manufacturers in China. We supply high-quality ultracapacitors, including coin type supercapacitor, winding type supercapacitor, combined type supercap capacitor, module supercaps, high temperature supercap and hybrid capacitor.

What types of ultracapacitor are available?

We supply high-quality ultracapacitors, including coin type supercapacitor, winding type supercapacitor, combined type supercap capacitor, module supercaps, high temperature supercap and hybrid capacitor. Kamcap is devoted to the research and development of ultracap and strictly control the ultracapacitor production.

What makes LICAP a top 10 supercapacitor company?

One of top 10 supercapacitor companies LICAP has always been committed to the development and production of energy storage solutions with market-leading levels. All along, through continuous research and development and improvement of its own technology, it has met the growing demand for energy storage in the market and various applications.

Who makes kamcap supercapacitor?

Kamcap is one of the earliest companies in China to develop supercaps. and is the first group of vice presidents. Since 2021, kamcap has reached a partnership with TTI, a world-renowned power tool manufacturer, and has become TTI's supercapacitor supplier. In 2013, Kamcap passed the on-site review of Korean company Samsung.
