Luxembourg HJ Communications 5G Base Station Project 2025 Project

Overview

Does Luxembourg have a 5G strategy?

Luxembourg has drafted a 5G Strategy. Luxembourg's Recovery and Resilience Plan (RRP) does not include any investment in connectivity, as the policy focus is on ensuring that private investment is sufficient to fulfil the objectives for 2025.

What is Luxembourg's ultra-high-speed broadband strategy 2021-2025?

Luxembourg's ultra-high-speed broadband strategy 2021-2025 aims to achieve high performance connectivity for all. Objective 3 of the strategy is to accelerate the deployment of future-proof infrastructure, while respecting technological neutrality, to meet the current and future needs of all households, regardless of their geographical location.

What is a 5G Taskforce?

A 5G taskforce was established to keep Luxembourg at the forefront of connectivity. 5G was launched by Post Luxembourg, Orange and Proximus in 2020. Luxembourg has drafted a 5G Strategy.

Does Luxembourg's Recovery & Resilience Plan include connectivity?

Luxembourg's Recovery and Resilience Plan (RRP) does not include any investment in connectivity, as the policy focus is on ensuring that private investment is sufficient to fulfil the objectives for 2025. The Checkmynet.lu tool measures the performance and quality of internet access services for end users and is free-of-charge.
