What is DP World doing at Maputo container terminal?

DP World has officially commenced a \$165 million expansion project at the Maputo Container Terminal, a strategic move that will double the port's handling capacity and significantly enhance Mozambique's position in regional trade logistics.

Why is the port of Maputo expanding its container terminal?

The expansion of the container terminal at the Port of Maputo is part of a long-term strategy to meet global trade demands, create thousands of new jobs and contribute to Mozambique's economic growth.

How will reefer container capacity increase in Maputo?

Reefer container capacity will increase to over 700 plugs, supporting the growth of agricultural exports. Captain Sumeet Bhardwaj, CEO DP World Maputo, said: "The container terminal's increased capacity will lead to faster, cost-effective carrier turnarounds and more competitive freight rates that will attract more vessels to the Port of Maputo.

Why did DP World expand a container terminal in Mozambique?

"The container terminal expansion signifies our intent to strengthen Mozambique's economic growth, together with the government of Mozambique and our partners in the Maputo Port Development Company," said DP World sub-Saharan Africa CEO and MD Mohammed Akoojee.
