Does Sino shipping ship to Morocco?

Sino Shipping can give you an immediate price for shipping your luggage anywhere in the world, including from China to Morocco. When it comes to luggage shipping be aware that packaging your items correctly is essential and suitcases are not seen as an appropriate means of packaging.

How does customs work in Morocco?

All cargo, goods and packages coming from China to Morocco must go through customs. Customs ensure that goods being imported into the country are permitted and that the means of importing them is legal. This means that businesses must be prepared and have the correct documents in order when importing.

How long does customs clearance take in Morocco?

The time it takes for customs clearance should be part of your business' shipping plans and in general it will take one or two days to pass through the customs in Morocco. However if there are suspicions about your package and the goods that are being imported then this could hold up the process and it may take weeks for it to be processed.

How long does it take to ship from China to Morocco?

The quickest service is express delivery, which should take around 7-8 days from China to Morocco. Following that method, regular air freight takes around 10 days. However, be aware that different couriers offer different prices based on services and requirements of importers.
