

Myanmar Supercapacitor solar container energy storage system

Overview

Does Solis have an off-grid battery energy storage system in Myanmar?

Solar tech leader Solis is making waves in Southeast Asia with its new energy solution — an off-grid Battery Energy Storage System (BESS) in Myanmar.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

Why should you choose a solar storage container?

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy. Lower energy/maintenance costs ensure operational savings.
