Can a portable power station be used as an uninterruptible power supply?

Yes, a portable power station can be used as an uninterruptible power supply. Many portable power stations come with UPS features, like automatic switchover when power loss is detected.

Should you buy a modular power supply?

For most people who need serious power, modular is the way to go. Jackery's lineup continues to impress us with its full suite of expandable products. Who shouldn't get it: If you're on a very tight budget, you may want a cheaper, lower capacity option like the 286Wh EcoFlow River 3 Plus.
