

Paris solar Tiles

Overview

Who makes sunstyle® roof tiles?

SunStyle International, a subsidiary of the Akuo Group, is a French co-designer and manufacturer of solar photovoltaic roof tiles. In addition to their roofing function, the SunStyle® tiles combine power generation with a contemporary style to create buildings that meet environmental challenges.

Are photovoltaic floor tiles sustainable?

Photovoltaic floor tiles combine solar energy generation with durable paving materials, offering sustainable energy solutions for urban spaces, public areas, and smart cities, while reducing carbon emissions and saving space. Home / Blog / Walkable Sunshine: Photovoltaic Floor Tiles Leading the New Trend in Sustainable Development.

What are photovoltaic floor tiles?

As global urbanization accelerates, space resources in cities are becoming increasingly scarce. Photovoltaic floor tiles offer an innovative solution by integrating photovoltaic technology into ground paving, eliminating the need for additional land. Public Spaces: Squares, trails, parking lots, etc.

Will Terreal build an ephemeral brick pavilion in Toulouse in 2021?

In 2021, TERREAL is sponsoring the association "Le Printemps de Septembre" to build an ephemeral brick pavilion at the Institut Supérieur des Arts et Design de Toulouse for the 30th edition of the "Le Printemps de Septembre" festival in Toulouse.
