

Quote for container silent generator

Overview

What is a SOLLANT container diesel generator set?

The SOLLANT container diesel generator set has a compact and beautiful appearance through careful design. The box body adopts a detachable structure and is made of steel plates. The surface is sprayed with high-performance anti-corrosion and anti-rust paint.

What is a container-type diesel generator set?

The outer shape of the container-type diesel generator set is the standard size of the container, and there is no need to order a special container space during sea transportation, which greatly saves transportation costs. 3.

Does Dingbo provide a container generator without soundproof function?

Dingbo provides standard container generator without soundproof function and container silent generator set. The feature as below: 1. Design and manufacture as per the international standard container, i.e.:20 feet for 1000KVA or less and 40 feet for 1250KVA or above. 2.

What is a silent generator?

A silent generator is one of the short-term solutions to provide silent and efficient on-board power. One such silent generator is the freepiston Stirling engine, named after its inventor, Robert Stirling.
