

Riyadh base station power cabinet factory direct sales

Overview

Who makes electrical control panels in Saudi Arabia?

Discover the top electrical control panel manufacturers in Saudi Arabia, including Eabel and EAMFCO, offering advanced, customizable solutions for industrial and commercial applications. Eabel's introduction of electrical control panels into the Saudi Arabian market represents a significant leap in electrical and electronic enclosure solutions.

What does a power distribution company do in Saudi Arabia?

Manufacturing and supplying Electrical Power Distribution panels, solutions, and services in Saudi Arabia. Supporting and enhancing the customers equipment capability through out its life time for peak performance and cost effectiveness.

Who is Saudi Powertec?

With a 2800 square meter facility in Riyadh, Saudi Powertec's commitment is to develop, manufacture, and deliver low and medium voltage products and services that meet customers' specific requirements in Saudi Arabia. To achieve this, the company has built partnerships with top manufacturers, including Schneider Electric, ABB, and Siemens.

Why should you choose eabel control panels in Saudi Arabia?

Enhanced Security Features: Given the critical nature of many applications in Saudi Arabia, such as in the oil and gas sector, Eabel's control panels have enhanced security features, including lockable doors and tamper-proof designs, to prevent unauthorized access and protect sensitive information.
