

# St George High Power Portable Power Supply Manufacturer

## Overview

---

Why is Shanghai Electric a leading power plant equipment supplier?

In response to the global climate change, Shanghai Electric as one of the world leading power plant equipment suppliers, has actively developed the emerging industries such as solar power generation, seawater desalination, energy storage equipment, air cooled equipment, dust-cleaning apparatus, electric drive, etc.

Who is Shanghai Electric Power Generation group?

For more than 60 years, Shanghai Electric Power Generation Group has been fully dedicated to improving energy production efficiency of thermal, nuclear, wind, and solar energy, which has formed the most complete product lines in production, conversion, storage, transmission and electric power quality management of renewable energy.

What makes a good power supply & converter?

There is no secret when designing a power supply or a converter: regardless of the final use, they must provide high efficiency to meet requirements set by national and international initiatives including 80 PLUS®, ErP Lot 6 and Energy Star as well as power density, reliability and safety and all this at the appropriate price point.
