# String Micro Inverter

## String Micro Inverter

### About

STRING is a database of known and predicted protein-protein interactions. The interactions include direct (physical) and indirect (functional) associations; they stem from computational ...

### [STRING: functional protein association networks](#)

Gordon et al., SARS-CoV-2 protein interaction map (Nature 2020) All 332 virus-interacting human proteins are marked for emphasis in this version of STRING; The color-code indicates the ...

### Downloads

Remove redundant interaction pairs (AB-BA): By default, the links files encode interactions in both directions (AB and BA). However, since functional and physical interactions are symmetric, ...

[Get Price](#)

### [STRING: functional protein association networks](#)

Upload a complete species proteome to STRING, and we'll generate its interaction network and predict protein functions, including Gene Ontology terms and KEGG pathways. Once ...
