# **The best manufacturer of rooftop solar panels in Ho Chi Minh Vietnam**

## Overview

---

Which companies are launching rooftop solar panels in Vietnam?

International firms, such as SunPower and First Solar, have also made significant inroads into the Vietnamese market. By bringing advanced technology and expertise, these companies are partnering with local developers to navigate the regulatory landscape and drive the adoption of rooftop solar panels.

Who makes solar panels in Vietnam?

JinkoSolar, another international solar panel manufacturer, has a significant market presence in Vietnam. The company focuses on producing high-quality solar panels that offer exceptional reliability, performance, and durability. JinkoSolar's panels are widely used across Vietnam for residential, commercial, and utility-scale solar projects. 8.

Why are rooftop solar panels popular in Vietnam?

Vietnam's geographical diversity supports the widespread adoption of rooftop solar power systems. Solar panels can be installed efficiently across various terrains, including urban rooftops and coastal areas, making them a versatile renewable energy solution.

Where can I find a rooftop solar contractor in Hanoi?

They primarily specialise in investment focused rooftop and developer rooftop solar projects, while also offering general contractor services such as project implementation, operation and maintenance of rooftop solar power projects. Address: No 23, BT3, Phap Van-Tu Hiep, Hoang Liet, Hoang Mai, Hanoi City.
